

Effective Implementation of Animal Assisted Education

CUMHURİYET PRIMARY SCHOOL

TURKEY

- Our school is a primary school in Mersin which is a city in Mediterrean region.
- We have over 1000 students aged between 6-10 and 40 teachers.
- Our school has 20 classrooms, a Z library, a big garden, child park, a conference hall.

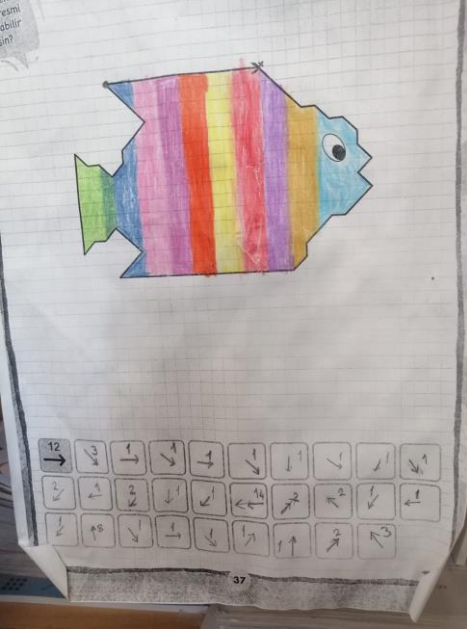

OUR PROJECT CORNER

Students prepared the posters about special cats in Turkey. How can they care the Van cat and Ankara cat?

Their colours are white. Especially Van cat has brown and blue eyes.

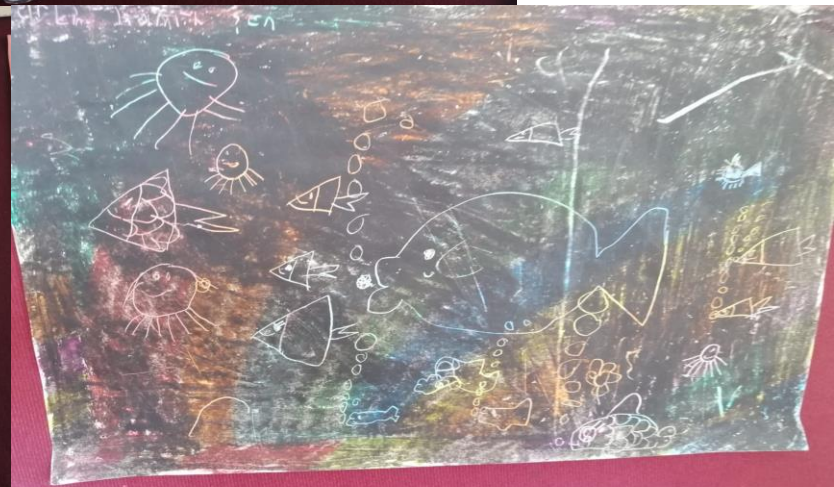

CODING ACTIVITIES

Students are coding fish and cats, then they coloured them.

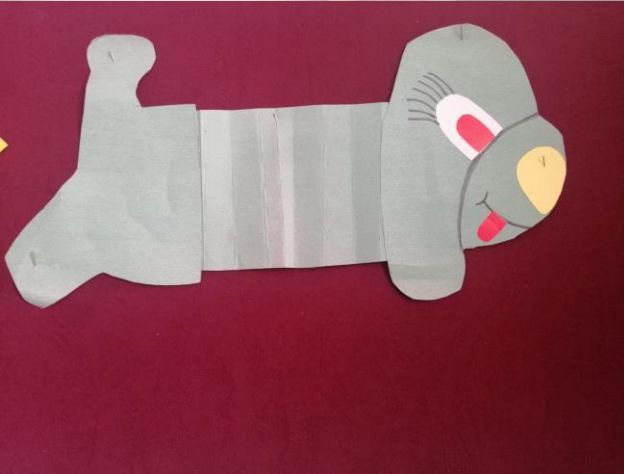

ORIGAMI ACTIVITIES
Students are doing origami.

Students' drawings about animals.

Students' drawings about animals.

Students are playing the maths game created in Slovenia. They enjoyed very much. 😊

Our school cat is walking around the school garden.

She gave birth 2 weeks ago, she has 5 cute kittens. The white and yellow one is the cutest.
