

## Tullynewbank Stables Client – Covid-19 declaration form

Tullynewbank Stables is doing everything we can to protect our clients as well as our staff and yard liveries. To ensure we do this as effectively as possible we are following the guidelines that have been set out for us by the BHS (British Horse Society) and our local health department in regards to social distancing practices in order to reduce the spread of covid-19.

Part of this is to ensure that our staff maintain a distance between themselves and the clients as much as possible and we will require the same procedure for client-to-client contact in order to limit the exposure to all individuals.

Due to the Covid-19 situation the yard has been closed off to outsiders visiting, this is to prevent close contact in smaller spaces and to prevent unnecessary contact with equipment, gates, toilets and stable doors. Therefore bookings are by appointment only.

Hand sanitizer has been provided at the entrance gate as well as outside the tearoom, and there is free access to toilets so we ask that you wash or sanitise your hands often when on the yard premises.

Please understand that although many precautions have been taken to ensure minimum risk is being taken, horses are unpredictable and injury may occur, if this happens, staff may need to assist you and may not be able to maintain distance depending on the severity of the injuries.

By signing this form, you agree that you have read the information above and are aware of the risks that are involved when visiting the yard.

You are also stating that you have not been in contact with anyone with covid-19 or anyone with symptoms of covid-19. You are also stating that you yourself/ your child do not have any symptoms of covid-19: a dry cough, a fever, a high temperature or breathing difficulties.
